### **ANNA AFRICA AND MIDDLE EAST REGIONAL GROUP (AMERG)**

Follow up with member matters.

In 2016, we exchanged email messages and one-to-one phone calls with members on the following:

- Inviting and encouraging weak presence members to attend the ANNA GM and comply with the ANNA guidelines.
- Describing the DSB to the members and inviting them to participate in funding and building up the DSB.
- Working with UAE as a coordinator upon their request to help them to register Dubai and Abu Dhabi as ANNA members.
- Totally lost connection with Libya.
- Following up with Syria.
