Brief History

London Stock Exchange Group (LSEG) is an international markets infrastructure business. Its diversified global business focuses on capital formation, intellectual property and risk and balance sheet management. LSEG operates an open access model, offering choice and partnership to customers across all of its businesses. The Group can trace its history back to 1698.

The Group operates a broad range of international equity, ETF, bond and derivatives markets, including London Stock Exchange; Borsa Italiana; MTS (a European fixed income market); and Turquoise (a pan-European equities MTF). Through its platforms, LSEG offers market participants, unrivalled access to Europe's capital markets. The Group also plays a vital economic and social role, enabling companies, including SMEs, to access funds for growth and development.

Through FTSE Russell, the Group is a global leader in financial indexing, benchmarking and analytic services with approximately \$16 trillion benchmarked to its indexes. The Group also provides customers with an extensive range of data services, research and analytics through The Yield Book, Mergent, SEDOL, UnaVista, XTF and RNS.

Post trade and risk management services are a significant part of the Group's business operations. In addition to majority ownership of LCH, a multi-asset global CCP operator, LSEG owns CC&G, the Italian clearing house and Monte Titoli, a leading European custody and settlement business.

LSEG Technology develops and operates high performance technology solutions, including trading, market surveillance and post trade systems for over 40 organisations and exchanges, including the Group's own markets.

Headquartered in the United Kingdom, with significant operations in North America, Italy, France and Sri Lanka, the Group employs approximately 4,500 people.
