ANNA LATIN AMERICAN REGIONAL GROUP (ALARG)

SD Indeval as ALARG's member is delighted to share with the ANNA Membership a summary of ANNA related matters occurred in the Latin American region during 2017.

Communication between SD Indeval, S.A and the Regional NNAs were continuous, mostly focused on the implementation of CFI and FISN with the correct standard and we emphasized the use of the guidelines to do it properly.

In order to accomplish and reinforce membership compliance topics and to update the members of the region on important topics, in November 2017 we held our annual meeting in Santiago de Chile. The main topics were:

- Link LEI-ISIN
- Status of implementation of FISN ISO 18774
- Importance to send the annual master file
- The importance of promoting ISIN, CFI and FISN in our markets.

ANNA's Extraordinary General Meeting and workshop was organized in Latin America in Santiago, Chile hosted by DCV, S.A. de C.V. (Central Securities Depository of Chile). At this meeting the NNA of Paraguay was accepted as full member.
