

Biography

Since 1996, **Uwe Meyer** has been Executive Director of the Secretariat on the Board of ANNA. Uwe regularly presents standards related matters at national and international conferences and actively participates in several ISO Working Groups. Working for WM Datenservice for over 30 years, Uwe represents Germany in ISO TC68/SC8 (Reference Data for Financial Services) technical working groups and study groups supporting the national mirror groups of SC8 and TC68 at the German Standards Institute DIN (Deutsches Institut für Normung). He is also the co-convener of the German TC68 mirror group at DIN, responsible for promoting and the implementation of ISO standards in Germany.
